

PCIA Webinar:

Q5: Do you weigh separate fuel wood supplies when traditional and improved stoves are used at the same time?

A5: The current KPT protocols do not prescribe setting up different fuel inventories for different stoves

Q11: Do you think it will eventually be possible to reliably correlate

A16:

- Emissions: Roden CA, Bond TC, Conway S, Osorto Pinel AB, MacCarty N, Still D. Laboratory and field investigations of particulate and carbon monoxi
